O R D E R

On August 17, 1990, the Commission issued an Order granting requests for hearing, continuing the stay of the July 19, 1990 Order pending the outcome of the hearing, and establishing a procedural schedule for the filing of testimony and data requests.

On August 24, 1990, Integretel, Inc. filed a motion for an expedited clarification of the August 17, 1990 Order.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS that the scope of the hearing shall include the reasonableness of the provision of billing and collection services by local exchange carriers for any non-utility service including 900 and 976 services and similar enhanced services as well as customer owned coin-operated telephone service. With this clarification it is necessary to revise the procedural schedule to the following extent.

1. Within 15 days of the date of this Order, all parties shall file testimony by witnesses who will be subject to cross-examination on issues pertaining to the billing and collection for non-utility services.

2. Within 30 days of the date of this Order, data requests of any party shall be filed with the Commission and served on all parties and responses shall be filed 10 days thereafter.

3. The hearing will remain scheduled for December 11, 1990 at 10:00 a.m., Eastern Standard Time, in Hearing Room 1 of the Commission's offices at 730 Schenkel Lane, Frankfort, Kentucky 40601.

Done at Frankfort, Kentucky, this 17th day of September, 1990.
